Lake Ainsworth Excursion
Parents and Caregivers - a note went home to Years 3,4,5,6 students on Monday in regard to the Lake Ainsworth excursion. The note is to confirm numbers and a deposit must be paid if your child is interested in attending. It is most important that you return the note even if your child is not attending so the school can confirm numbers. The school pays on the numbers it confirms.

Taste of Macintyre
Gilgai students will not be performing at Taste of Macintyre.

Uniform
Parents please remember to place a jumper in your child’s bag even if they tell you they don’t need it. The school can’t hand out jumpers to students who turn up at school unprepared for wet or cold weather. Please clearly label all uniform, especially jumpers. Any lost jumpers with names in them are given back to students but we can’t return a jumper if it doesn’t have a name in it.

Shave for a Cure
On Friday 28th March, Lyn Campbell will be shaving her hair to raise money for Cancer Research. Students are asked to bring a gold coin donation to attend. Parents are also welcome to support Lyn on Friday afternoon from 2:45pm with entrance being a gold coin donation.

Its Easter Time
Please remember to send in your Easter Eggs for the Easter Raffle. This raffle is one of the P & C’s biggest fundraisers, so your assistance is greatly appreciated. The Easter Hat Parade will be on the 10th April.

Year 6 - Shirts
Students of Year 6 can have their class and students names printed on their shirt, but their shirt must be handed into the office before 28th March.

School Photos
MSP photography photos should be back in four weeks. If you have any further enquiries please phone MSP on 67723519.

Student Lunches
Healthy lunches are very important at school. Lollies and chewing gum are not allowed and will be confiscated. Please note that staff do not microwave student lunches.

Best Wishes David
Our exchange teacher David will complete his final week at Gilgai Public School, we wish him well for his return trip to his family and school in Timor Leste.

CHAPLAIN’S CORNER
Repeat as needed
When you find a little gem of parenting wisdom, it’s worth hanging on to, particularly if it’s short and snappy, and easy to remember when the going gets tough. Sometimes we get so tangled up in our worries for our child, and in the business of being a parent, that we lose sight of the simple truths that reassure us, and keep us in that calm and confident headspace.

Your lifeline phrase might be: “A hungry child will eat”, “A bit of mess never hurt anyone”, or “Stress breeds stress, calm breeds calm”. You might have more than one. Whatever they are, write them up where you can see them, keep them close to your heart and mind, repeat them often. They are sanity savers!

“The wonderful thing about learning is that nobody can take it away from you.”
