School Uniform
Parents please send you child to school in winter uniform. Students have been turning up at school in shorts or not wearing jumpers. If your child doesn’t want to wear their jumper to school please make sure that it is in their bag. It may be warm at home in front of the fire but in the school playground it is very cold.

Lost Property
Please remember to label all students clothing, lunchboxes and water bottles. Any student’s property that has been left behind but is labelled can be given back to students. Please regularly check that your child’s name has not faded on their clothing in the wash. Your child is responsible for their property. Please talk to your child about proper care of their belongings.

CHAPLAIN'S CORNER
Be there
It's important to make the most of every opportunity you have to be there with your kids, no less so as they move into their teens. Yes, it’s true that older children are more skilled at accessing advice from sources outside the family, and that they will turn to their friends for support on many things, but mum and dad never stop being the most valuable sounding board teens have.

It’s in the casual times together after school, preparing a meal together, or driving them somewhere in the car that so many important conversations can be had. Never turn down an opportunity to hear what’s on their mind; they want you right there with them.

“The best inheritance a parent can give to his/her children is a few minutes of their time each day”.
-M Grundler
