It's Report Time
Students reports will go out this week. Parent interviews will be conducted early next term. A PLP note will go home with your child’s report to inform you of the days and times interviews are available in Week 1 Term 3. These notes need to be returned by Friday. Please be aware that times for interviews will be 15 minutes only. It is extremely important to stick to the 15 minute time allocation. If you want to make another time for a longer interview, please mention this to your child’s teacher at the start of the interview.

Newsletter Lunch orders and Permission notes
Parents please note the tear off section at the end of the newsletter. This section is to be filled in if you would like to have your newsletter emailed to you instead of your child bringing home a paper copy. The newsletter, lunch order and permission notes can also be accessed on the school website www.gilgai-p.schools.nsw.edu.au or if you are on Facebook you can like Gilgai Public School and view the newsletter there.

Pupil Free Day
Monday 14th July, day one of Term 3, is a pupil free day. Teachers will be undertaking training on this day. Students return on Tuesday 15th July.

Teacher/Principal Meetings
The teachers at Gilgai School are only to pleased to speak to parents about their child/ren, but to do this without causing a disruption to the schools routine, it is essential to make an appointment. Mrs Halliday is on full day classes Mondays, Tuesdays and Thursdays and half days Wednesdays and Fridays. Please contact the front office if you wish to speak to your child’s teacher or the Principal.

School Uniform
Parents please send you child to school in winter uniform. Students have been turning up at school in shorts or not wearing jumpers. If your child doesn’t want to wear their jumper to school please make sure that it is in their bag. It may be warm at home in front of the fire but in the school playground it is very cold.

CHAPLAIN’S CORNER
Be there
It’s important to make the most of every opportunity you have to be there with your kids, no less so as they move into their teens. Yes, it’s true that older children are more skilled at accessing advice from sources outside the family, and that they will turn to their friends for support on many things, but mum and dad never stop being the most valuable sounding board teens have.

It’s in the casual times together after school, preparing a meal together, or driving them somewhere in the car that so many important conversations can be had. Never turn down an opportunity to hear what’s on their mind; they want you right there with them.

“The best inheritance a parent can give to his/her children is a few minutes of their time each day”. - M Grundler
