Congratulations Lilly Seagrott
Lilly Seagrott will be off to Sydney for Swimming to represent Gilgai Public School in two events.

Major Excursion Lake Keepit
The school’s major excursion to Lake Keepit will be in Term 3 Week 10 from 14th September to the 18th September. All students in Years 3/4/5/6 will be invoiced and a deposit of $50 will need to be paid before 27th March so we can confirm numbers with Lake Keepit.

Kurrajong Trees
Mrs Townsend has been working hard to have a very special Anzac Day commemoration event. This will be the planting of Kurrajong Trees. The trees have been obtained through a special grant from the Teachers Federation and students will start planting the trees Thursday this week. Thank you Mrs Townsend we hope the trees will be around for the bicentennial of Anzac Day.

School Times
School starts at 9.15 and finishes at 3.15

The school gates will be unlocked at 8.45 and locked at 3.20
Students are not to be on school grounds outside these time as they will not be supervision.
A reminder to parents to notify the school about your child's health

We welcome information from parents about your child's health, even if you are not requesting specific support from our school. Our school asks for medical information when you enrol your child. It is also important that you let us know if your child's health care needs change or if a new health condition develops.

Information about allergies, medical conditions such as asthma and diabetes and other health care related issues (including prior conditions such as medical procedures in the last 12 months) should be provided to the school by parents. Please provide this information in writing to the principal. This will greatly assist our school in planning to support your child’s health and wellbeing.

Please also remember to notify staff in the school office of any changes to your contact details or to the contact details of other people nominated as emergency contacts.

We appreciate your assistance in this regard and assure you that any information you provide the school will be stored securely and will only be used or disclosed in order to support your son or daughter’s health needs or as otherwise required by law.

Good number sense
Maths is a numbers game but for some students - and parents - the figures don't add up. Here are some strategies to help kids to work out sums in their heads in a way that makes sense to them.

Parents to Remember
